

Hassad J. Roy M.D.

Description:

Dr. Hassad J. Roy, M.D. is a board-certified physician with over 20 years of experience in the field of internal medicine. He is currently serving as the Medical Director of Advanced Medical Health Services, PC, where he oversees the care of a wide range of patients. Dr. Roy is particularly interested in the diagnosis and treatment of chronic conditions, including thyroid disease, chronic fatigue, depression, arthritis, and osteoporosis. He is also a proponent of anti-aging and rejuvenative medicine, which aims to improve the quality of life and extend the lifespan of his patients. Dr. Roy is a member of the American Medical Association and the American College of Physicians. He is also a frequent speaker at medical conferences and seminars. He can be reached at (714) 834-2222 or (714) 834-2223.
